

SuperJackie

— and the —
Lost Little Bird

Every day is a chance to be a hero.★

One quiet evening in Sunhill,
SuperJackie heard a tiny cry.

“It’s okay to be scared,”
SuperJackie said softly.

“You don’t have to
fly alone.”

SuperJackie gently lifted
the little bird and wrapped
it in his cape.

“You’re safe now,”
he smiled.

SuperJackie helped the bird
find its courage.

Together, they soared above
Sunhill as the sun went down.

And that day,
the little bird learned
how **brave** it really was.

Every day is a chance
to be a **hero**. ✨
